

All bullion items are all individually embroidered by hand using materials such as gold & silver bullion wires, metal threads, silk and velvet among other textiles. We then add attachments such as pin backs, magnetic holders or leather before trimming by hand and carefully packing for delivery to you, on average, in less than four weeks.

BULLION CRESTS

Bowler & Blake Limited is proud to have designed and manufactured a variety of embroidered bullion items for many renowned clubs and associations, world-wide.

No Charge Attachment!

All crests come with pin backs at no extra cost.

Plain backs are available upon request.

Handmade bullion gold and silver wire embroidered on a background color of your choice.

Bullion Embroidered Leather Key Fobs

The same traditional hand embroidered bullion, cotton and silk is employed to create a one of a kind leather key fob.

Optional Magnetic Pocket Holder

Move your crest from blazer to blazer with our easy to use magnetic holder. Simply slip the back piece in your blazer pocket and the strong magnet holds the crest in place.
